

Put Decanting to Work to Give Breath to Trust Purpose

Article

01.01.2011

Morris Nichols' Todd Flubacher and PNC Wealth Management vice president Ann Marie Levin authored *Put Decanting to Work to Give Breath to Trust Purpose* featured in the January 2011 edition of *Estate Planning Magazine* that examines one of the most significant advancements in modern personal trust law: the enactment of state decanting statutes that specially authorize trustees to effectively amend the provisions of irrevocable trusts.
