

ABI 9th Annual Complex Financial Restructuring Program

09.13.2012

Las Vegas, NV

Derek C. Abbott, member of the Morris Nichols Business Reorganization and Restructuring Group, will be a featured panelist at the American Bankruptcy Institute's 9th Annual Complex Financial Restructuring Program, September 13-14, 2012, at the Four Seasons Hotel Las Vegas.

Derek will join a distinguished group of co-panelists who will assume the roles of management, board members and professionals to highlight how a company can lose control of its own restructuring. This day-long program, based on a case study of a troubled company's efforts to reorganize, will provide insight and practical advice for how to deal with the ethical dilemmas, strategic decisions, and negotiations that are part of the day-to-day reality of restructuring practice. Panelists will consider such questions as the appropriate level of advocacy, the ethics of giving particular advice that favors the advising professional, and other common reorganization dilemmas.
