The Delaware courts issued significant rulings on key M&A practice topics in 2013. On March 6, 2014 Patricia O. Vella, Morris Nichols Delaware Corporate Counseling Group partner, served as a speaker in the Strafford CLE webinar titled "M&A Key Delaware Law Updates for 2014."

In the 90-minute program, Vella participated in a panel discussion which reviewed important 2013 Delaware rulings covering standard for deal review, D&O fiduciary duties and conflicted M&A deals, forum selection, and attorney-client privilege. The panel also provided guidance to M&A counsel on the potential implications for 2014 deals, explored potential negotiation and litigation tactics, and discussed best practices for M&A transactional attorneys and litigators in 2014 and beyond.
