

PLI's Mergers & Acquisitions 2023: Advanced Trends and Developments

Speaking Engagement

01.18.2023 through 01.19.2023

New York, NY | Virtual

Event Sponsor: Practising Law Institute

From January 18-19, 2023, the Practising Law Institute hosts "Mergers & Acquisitions 2023: Advanced Trends and Developments," an annual program featuring insights from leading US legal and investment banking professionals.

Morris Nichols partner Patricia Vella serves as program faculty. She co-leads the January 18 panel session, "Special Committees in M&A Transactions" with speakers including Hon. Kathaleen St. J. McCormick. Discussion topics include:

- Best practices for special committee processes, including independence issues
- Managing conflicts of interest in the special committee's creation and deliberations
- Litigation issues to avoid in a special committee process

This program will be held in-person and via live webcast. CLE opportunities are available. For more information, visit the PLI program page.
