Managing Intellectual Property's IP Stars

Managing Intellectual Property has published the 2022 *IP Stars* guide, recognizing Morris Nichols in its highest, "highly recommended" tier for Delaware intellectual property law firms.

The annual *IP Stars* guide covers six IP practice areas and more than 70 jurisdictions to produce a comprehensive, research-based ranking of leading specialists in the IP profession.

In the table of leading Delaware IP practitioners, Morris Nichols litigators Jack Blumenfeld, Karen Jacobs, and Jeremy Tigan are recognized as 2022 Delaware "IP Stars."

Well-regarded for experience in patent litigation, Morris Nichols has one of the leading Intellectual Property Litigation practices in the United States. The firm also represents clients in complex disputes involving trade secrets, trademarks, copyrights, unfair competition, and antitrust.
