

District of Delaware, Revised Procedures for Managing Patent Cases

Client Alert

06.17.2014

The District of Delaware initiated a Patent Study Group (“PSG”) in January 2014 to address the District’s impressive patent caseload and to improve overall efficiency in patent litigation. On June 17, 2014, Judge Stark formally adopted Revised Procedures for Managing Patent Cases, which will be implemented in all non-ANDA patent cases assigned to him filed on or after July 1, 2014.
