

Trust Merger: What's Good for the Goose Is Good for the Gander

Article

05.01.2013

Trusts, Estates & Tax Group partner Todd Flubacher authored "Trust Merger: What's Good for the Goose Is Good for the Gander" featured in the Spring 2013 edition of Delaware Banker.

Click here to read the article which examines how a trust merger can be a very attractive strategy for migrating a trust from another state to Delaware, and outlines common pitfalls to be aware of when such a strategy is pursued.

Delaware Banker is a quarterly magazine published by the Delaware Bankers Association delivered to key financial industry executives in the First State. It provides substantive and original articles, interviews, features, columns, and news.
